# SoPYC VR Inshore Races - Spectating

If you miss out on competing in a Club race, you can still watch all the action. Here's how...
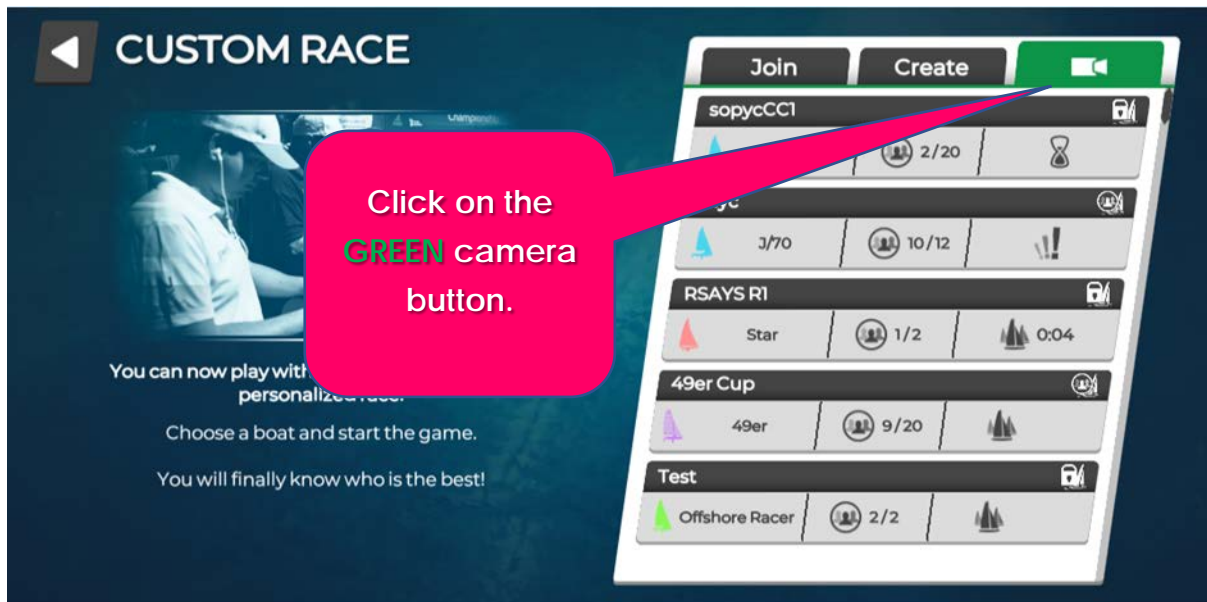

The web address is: https://www.virtualregatta.com/en/inshore-game/

Open home screen, then click on the Custom Race button:

Click on the green camera button and all current races will appear.
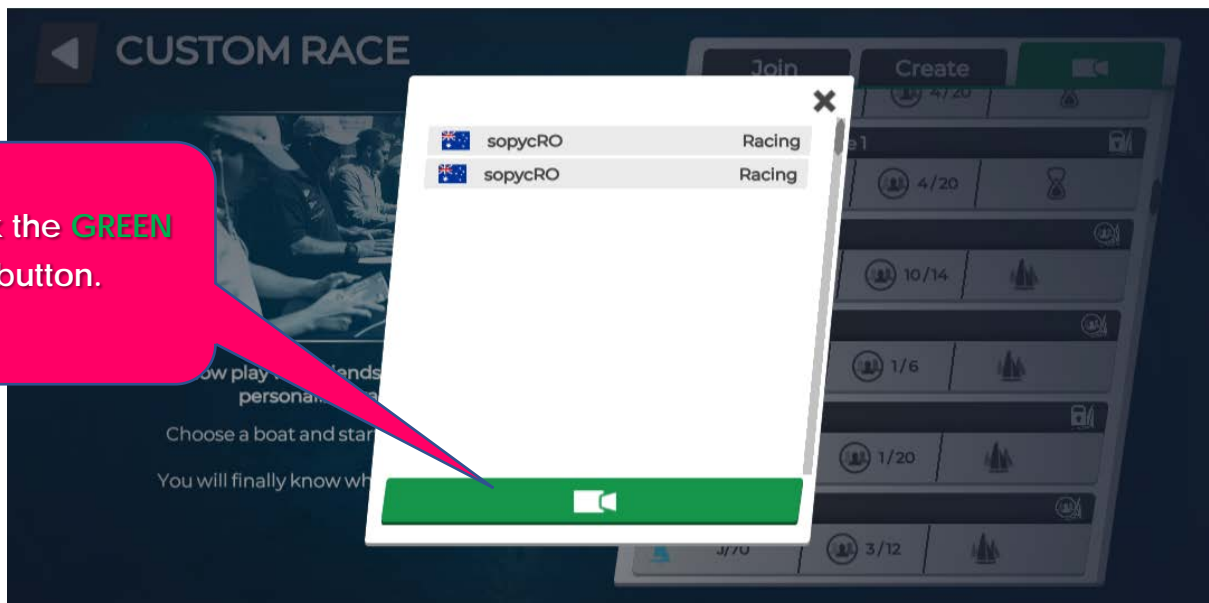

All races are labelled, so select the 'SoPYC' race.

# SoPYC VR Inshore Races - Spectating

Click on the far-right area. Icon appearance will change as the game moves from pre-start to post-start but click on it regardless.

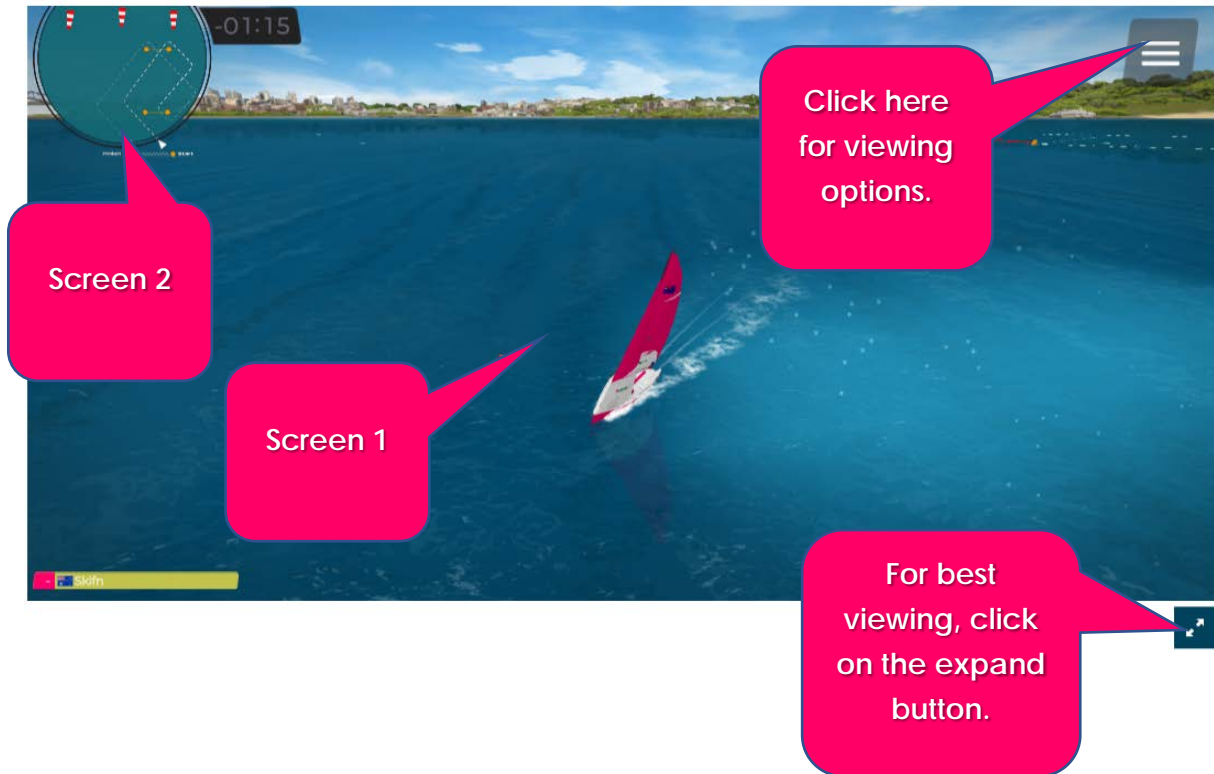

Next screen lists the boats. Click the green camera button at the bottom.

# SoPYC VR Inshore Races - Spectating

And you're in!

Click between the 2 screens for various viewing angles

Here are the viewing options. When finished here, click 'X' to return to the race.

Enjoy your viewing!
