Equipment Compliance Form (audit form)

[CLICK HERE](#) to visit the website and download the Australian Sailing audit forms

1. Contact your home Club sailing office for assistance to make a booking with a qualified auditor.
2. The club will provide an equipment compliance form number to the auditor to use.
3. When the audit is complete and signed by the Person in Charge and the Auditor, the form must be lodged with the boats home Club sailing office.
4. The Club will validate the equipment compliance form number, this must be written on the top of each page of the audit form.
5. For ORWA races, the yacht must upload a copy of the valid equipment compliance form to their TopYacht profile.

Season Preparation

Season Preparation

STEP ONE - SAFETY AUDIT (Equipment Compliance Form)

- Complete a safety audit for your yacht to comply with the Australian Sailing Special Regulations for the highest category of safety that you wish to race under. Be aware that some races may carry a category 'plus' (+) meaning there are additional requirements, these will be listed in the individual race notice in the ORWA Handbook.
- Safety audit forms are available on the Australian Sailing website. You should first complete a self check prior to making a booking with an Equipment Auditor. A list of accredited auditors can be found on the Australian Sailing - WA website and you can also make the booking through your Club sailing office. Your Club will allocate your Equipment Compliance Form reference number.
- The completed form, signed and dated by both the owner/person in charge and the equipment auditor will be given a unique number by your Club. It is the owner/person in charge's responsibility to ensure the original form has been lodged with the Club and the number placed on the form prior to entering your first race of the season. A copy of the form must be kept on board your boat and the boat's equipment kept fully operational and to the required standard at all times.
- A copy of your valid Equipment Compliance Form must be uploaded to your race entry in the TopYacht system for ORWA races.
- NEA Equipment Form numbers are generally valid until 30 June in the season you have completed the audit although:
 - At the start of the summer season a yacht must have a new NEA Equipment Form number for the season, completed no earlier than 01 June in that calendar year.
 - 01 June 2021 onwards will be allocated a '21' season number.
 - A valid '21' audit will carry through to 31 August 2022.
 - Any audit completed from 1 June 2022 onwards will be allocated a '22' number and this will carry through to 31 August 2023.

STEP TWO - YACHT HANDICAP

Decide which measurement systems you would like to race in and ensure the certificates for your yacht are up to date.

Measuring for IRC

- Information can be found on the IRC webpage <http://ircrating.org/racing/on-line-tcc-listings>
- There you will find IRC TCC listings and other useful items.
- The WA measurer for IRC is Ian Ball.
- Please refer to the IRC Handicap page here on our website for further details.

PHS

- All yachts registered for the ORWA Series will receive a PHS. Please ensure your details are correct on your ORWA membership form, completed by the owner.
- The ORWA Performance Handicap System is very much like the system used by many clubs for performance handicapping. ORWA is very grateful to Ross Dennis for managing these handicaps.
- Please refer to the PHS Handicap page here on our website for further details.

STEP THREE - ORWA MEMBERSHIP

- Register your yacht with Ocean Racing WA for the season.
- Please use the membership section of the website for details.

STEP FOUR - REGISTERING FOR RACES

- The boat owner must have completed the ORWA membership registration at least 7 days prior to entering your first race for the season.
- Enter your yacht for each race on the ORWA TopYacht event page.
- Payment must be made prior to race entry closing.
- Update your race entry to include documents and crew lists required for each race.
- Ensure your yacht complies to Australian Sailing Racing Rule of Sailing 46 by making sure all of your crew hold a valid Australian Sailing registration through membership / SailPass with an affiliated yacht club.

Use the
Competitor
Information
section of the
website.
